

## Derbyshire pub crawl by public transport

Saturday, 9<sup>th</sup> June 2018

This crawl takes place entirely within Derbyshire and the full cost of all buses and trains will be covered by the purchase of a Derbyshire Wayfarer ticket (which includes the portion of the train journey between Sheffield and Derbyshire). See the Derbyshire county council website for details. Meet at [Sheffield Tap](#) on the station from 10am. **(10:00 – 10:25)**

Trains to Derby at 10:24 or **10:29** arrive at 10:51 or 10:59.

Walk to [Brunswick Inn](#) 1 Railway Terrace **DE1 2RU** which opens at 11am. **(11:05 – 11:45)**

Train to Duffield at **11:52**, arrive 11:59. Walk into Duffield, turning L on A6 to [Town Street Tap](#) (micropub) 17 Town Street **DE56 4EH**. **(12:05 – 13:00)**

Alternatives are [Pattenmakers Arms](#) and [White Hart](#).

Bus to Milford (takes about four mins): TP or any one of the Sixes from the stops just S of White Hart or N of the micro. 13:03 (TransPeak), **13:06** (6.1), 13:21 (6.2) or 13:36 (6.4). Get off at the stop after the bridge and walk back to [King William](#) or, for a real treat, continue past the pub and walk to Makeney (about 10 mins from bus stop, mostly uphill): [Holly Bush Inn](#) Holly Bush Lane **DE56 0RX** **(13:20 – 14:15)**

(Alternative route for keen walkers: Walk S through Duffield then left on Makeney Lane, across the river near the Bridge Inn then L to Makeney. About 35 mins.)

Return to bus stop past the bridge for bus to Belper bus station (about 10 mins) at **14:25** (6.2), 14:40 (6.4) or 14:55 (6.3). **Belper walkabout from 14:40 to 16:05**, which could include [George & Dragon](#), [Arkwright's Real Ale Bar](#) and [Angels Micropub](#).

Bus 138 at **16:10** from stop B on King Street (just around the corner from Arkwrights) or a minute later from the Market Place stop (a short walk from Angels). **DO NOT MISS THIS BUS!**

The bus terminates at Breach Road in Marlpool. The [Queens Head](#) is on the corner, and right next to it is the [Marlpool Alehouse](#) 5 Breach Road **DE75 7NJ**. The alehouse is quite small, so if it's too busy to get to the bar, the Queens Head is an acceptable alternative.

**(16:50 – 17:40 or 18:10)**

Return to bus stop for bus 21 at **17:43** or 18:17 to Ilkeston, South Street (Health Centre), arriving about 15 minutes later. Walk back past the Prince of Wales and turn right on Gladstone St to the [Burnt Pig](#) 53 Market Street **DE7 5RB**. **(18:00 or 18:35 – 19:10 or 19:40)**

To get to the station by bus, aim for the 27 at **19:14** from the stop on South Street on the other side of the road. There are also buses at 19:22 and 19:42 (Y3 from same stop) but they only go to the other end of town and it is then a 15 min walk, so keen walkers may want to give the buses a miss on this occasion: it's about 25 minutes. (Market St, R on Hallcroft Road, across the by pass, through the park, past the school, keep straight ahead until Station Rd, turn R.) Trains are at 19:29 (which the 27 bus should meet) or at **20:29** and 21:29. If going for the later train(s) there will be time for a beer or two at the [Dewdrop Inn](#) 24 Station Street **DE7 5TE**. **(19:25 – 20:25)**

Trains take about 40 to 45 mins and arrive in Sheffield at about quarter past the hour.
